

# Heavy Duty Brake Cleaner

PRODUCT CODE 108800

## FEATURES & BENEFITS

This is our highest quality Brake Cleaner and the only formulation approved and used by most global OEM vehicle manufacturers. It provides quick and effective cleaning and drying to free brake parts from brake dust, grime and brake fluid build-up to enable the brakes to function properly without any mechanical hindrance. This non-chlorinated, Heptane-based product cuts through brake dust and grime and dries fast, without leaving any residue.

## DIRECTIONS FOR USE

Brake parts should be disassembled before cleaning. Spray product directly and liberally onto parts that require cleaning. Allow product and grime to run off. Parts will air dry. Protect painted surfaces from over-spray.

## PRECAUTIONS

**REFER TO SAFETY DATA SHEET FOR PRECAUTIONS IN HANDLING.**

## AVAILABLE PACKAGE SIZES

- 390g Aerosol

*Larger package sizes available on a special order basis.*

*Call or e-mail for information.*

**This Brake Cleaner is an advanced non-chlorinated /non-carcinogenic OEM-formulation cleaning solvent that dissolves and removes grease, oil and dirt from brake parts.**

**Does not leave film or residue and will not damage rubber components.**
