

Glass Cleaner

PRODUCT CODE 108808

FEATURES & BENEFITS

Low Foam Glass Cleaner quickly dissolves and removes films and haze without streaking both interior and exterior glass. Works well on interior chemical films, smoke films and general windshield haze. It is used for cleaning windows and mirrors on cars, trucks, boats and buses. It is also an excellent cleaner for household windows, mirrors, glass table tops, ceramic tile, Formica tops, porcelain and enamel surfaces. Safe for aftermarket tints.

DIRECTIONS FOR USE

Spray Glass Cleaner liberally on surfaces to be cleaned. Wipe surface clean using a clean paper towel or soft cloth.

PRECAUTIONS

REFER TO SAFETY DATA SHEET FOR PRECAUTIONS IN HANDLING.
